DETAILED ACTION

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

1. **Claims 1-3, 5-11 and 13-16 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.**

While the applicant has amended independent claims 1, 7, 9 and 15 to include the allowable limitations of claims 4 and 12, the applicant has failed to include the limitations of claims 3 and 11 as well, which interceded between, for example, claims 1 and 4. By doing so, the antecedent basis for "the weighting vectors," as recited in claims 1, 7, 9 and 15, is missing.

Allowable Subject Matter

Claims 1-3, 5-11 and 13-16 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

As noted above in section 1, independent claims 1, 7, 9 and 15 from which all other claims depend have been amended to include the allowable subject matter of claims 4 and 12 as set forth in the Non-Final Rejection filed 23 March 2006. Thus, claims 1-3, 5-11 and 13-16 would be allowable over the cited prior art.

Conclusion

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
